

## OFFICIAL RULES OF CUESPORTS INTERNATIONAL

### TABLE OF VIOLATIONS AND FOULS

This table is provided as a quick reference to find the basic entries concerning violations and fouls. It is not intended to be a comprehensive index. To ensure a complete understanding of how they are judged and enforced, you should be sure to study the associated definitions and Applied Rulings, if any, that are referenced in the basic entries.

Similar violations may have different penalties depending on the specific game. Be sure to check specific game rules for details.
